Sports Day, Picnic and Summer Fair

Date for your diary – Friday 28th June
Plans for this special community day for the children and families are well underway!
Brook School is organising a Summer Fair to take place after Sports Day next term. This school event is all about community and fun!

The day will start with Sports Day for the morning. After this, parents and families will be invited to have a picnic at school with the children. After lunch, the fair will be opened for the afternoon!

We are hoping to have ice cream, treats, refreshments, bouncy castle, stalls, games and more.

More information to follow soon!

Brook Community and History Week – Past, Present and Future

Past - This week we are learning all about the history of Brook School and the village. Using a range of sources we have in school; children will develop their historical enquiry skills and learn more about our special and old school.

Present – Our special week includes our Whole School Walk which focuses on the present day in Brook.

Future - Each class will walk down to the Rural Museum this week to take part in community development for the future. Children will help improve the outside space of the museum ready for their opening at the weekend.

Visits off site take place on these days:
Monday afternoon – Little Acorns and Saplings
Tuesday morning – Mighty Oaks
Tuesday afternoon – Young Oaks

MOVIE NIGHT!

A reminder that we have a movie night tomorrow - **Tuesday 21st May.** You can book a place for your child on Arbor and choose which movie your child would like to see:

Wonka (PG)

Minions (U)

As part of the ticket, children will receive a drink, sweets and popcorn. Tickets are £3. The Movie Night begins straight after school and collection will be at 5.15pm.

New Playground Markings

We have been fundraising for these for a while and with the Tesco Grant money too, we have finally been able to have our new playground markings installed! These are going to be wonderful for all children to use at playtimes, as well as the Daily Mile when the field is too muddy and for PE and sensory circuits. They also really brighten up our playground! Thank you all for your support in fundraising.

2023-2024 Calendar

Every effort will be made to keep these dates in place but please be aware, changes may occur.
Some events are 'to be confirmed' as they are dependent on support/staffing, or dates have not yet been set.
Updates/changes are highlighted.
